[PROPOSED] ORDER

Before the Court is Relator's Emergency Motion for Protective Order and Motion for Expedited Consideration, filed on November 15, 2022. Having considered the Motion, pleadings and relevant law, the Court **GRANTS** Relator's Motion and **FINDS** that a protective order is necessary to protect the Center for Medical Progress

(CMP) from undue burden, unnecessary expense, and harassment. The Court also **FINDS** that notice to CMP is insufficient because the date of compliance is less than four business days away. The Court therefore **ORDERS** that CMP is hereby protected from compliance with Defendants' subpoena if it is properly served. The Court also **ORDERS** Defendants to withdraw the subpoena.

SO ORDERED.
